

## **EARLY CHILDHOOD PROGRAM ASSISTANT TEACHER**

The Family Center of Washington County Early Childhood Program, a 5 STARS nonprofit early education program, is seeking nurturing, creative professionals dedicated to teaching young children. The ideal candidate will participate in all phases of planning and implementation of developmentally appropriate experiences for children ages birth to five years, including work as a member of a multi-disciplinary team, and providing education and support services to children with a variety of different needs. The Family Center is a supportive, professional, collaborative work environment and offers a competitive salary.

**Desired Qualifications:** Early Childhood Assistant Teacher candidates should have a Northern Lights Level I Certificate or Child Development Associate (CDA) required. Associates Degree in Early Childhood Education, Human Development or related field preferred. Minimum of one year experience teaching in an early childhood setting, including direct experience providing developmental or support services to children with disabilities or other needs and their families. Must pass a fingerprint and background check.

This position offers up to 40 hours weekly with competitive wages, health and dental benefits, generous paid time off, professional development, planning time, paid vacation, sick and personal time, and retirement plan benefits.

If you're interested in the above position, please email your resume, cover letter, and three references in care of our Early Childhood Program Managers at [jobs@fcwcv.org](mailto:jobs@fcwcv.org).

The Family Center of Washington County in Montpelier is a member of the Parent Child Network of VT whose focus is support and education to families with young children through wraparound service delivery. The goal is to help all Vermont families get off to a healthy start, promote well-being, and build on family strengths. We're a committed team of people where collaboration and mutual support are the norm.
