

Family Center and Aldrich Public Library are partnering for a weekly
PLAYGROUP at the library!

Children **birth to 5** are welcome with their grown-ups. It's a time for children to play and explore and for parents/caregivers to connect!

Wednesday mornings at the library from 10:00 am to 11:00 am in the Milne Community Room (enter at the parking lot door)

Masks are encouraged but not required. Please keep our families, staff, and volunteers safe by staying home if you are sick.
